## A MESSAGE FROM OUR LEADER

**Dr. Natarajan G**  
Chairman

**Dear Gojan Family,**

Imagine planting a tiny seed 20 years ago — and watching it grow into a big, beautiful tree that gives shade to thousands of students. That is exactly what Gojan School of Business and Technology has done! This year has been absolutely amazing. Our students have won gold medals, started their own companies, cracked top jobs, and made everyone proud. As we celebrate 20 glorious years of learning and growing together, I invite you to explore all the wonderful things that happened at Gojan in 2024-25. Let your passion shine, let your talent inspire, and remember — the sky is not the limit, it is just the beginning!

## WHO ARE WE?

Think of Gojan School of Business and Technology as a giant playground — but instead of swings and slides, we have rocket science, robots, computer labs, and much more! Located in the peaceful green hills of Redhills, Chennai, our college sits on a huge 85-acre campus where students from all over Tamil Nadu come to learn, grow, and build their dreams.

## OUR DREAM & OUR PROMISE

### ▶ Our Dream (Vision)

We want to be the BEST school in India — where every student leaves with great knowledge, strong skills, and good values. We want our students to be ready to face the world and make it better!

### ▶ Our Promise (Mission)

- Make learning so much fun that students LOVE coming to college!
- Help students come up with new ideas and inventions that solve real problems.
- Guide every student to find their perfect job or start their own company.
- Teach students to be good human beings — not just good engineers.

### ▶ What Makes a Gojan Graduate Special?

<b>Creative Thinker</b>	Can solve any problem in a smart and new way
<b>Job-Ready</b>	Knows exactly what companies need and delivers it
<b>Great Communicator</b>	Can explain ideas clearly and work well in a team
<b>Ethical Leader</b>	Does the right thing, always — even when no one is watching
<b>Well-Rounded Person</b>	Grows not just in studies, but in sports, arts, and life skills

## BIG EVENTS & COOL MOMENTS

---

This year was packed with exciting events! From drone exhibitions in Mumbai to national hackathons, book launches, and cultural festivals — every single day at Gojan was full of energy and action.

### Mumbai Drone Expo

Our student flew all the way to Mumbai to attend India's biggest drone conference! They learned about drones being used in farming, delivering packages, helping in disasters, and even in the military. Super cool!

### Smart India Hackathon 2025

Students from our IT department — Mr. Sujith S and Mr. Lingeshwaran S — won CASH PRIZES at the Smart India Hackathon! They built brilliant solutions to real problems India faces today.

### 16th Graduation Ceremony

We celebrated our 16th batch of graduates — young men and women who worked hard for 4 years and are now ready to take on the world. Caps, gowns, smiles, and lots of proud families!

### Book Launch — Life Skills for Engineers

Our very own Vice President, Mr. R. Ramadhurai, wrote a real book! It is called 'Life Skills for Engineers-1' and helps first-year engineering students learn important life lessons. So inspiring!

### TN Skill Competition 2025

Gojan hosted a massive state-level competition with domains like Cloud Computing, Cyber Security, Robotics, 3D Printing, and more. Young innovators from across Tamil Nadu came to show their skills!

## 21st Commencement Day

We celebrated 21 amazing years of making the world a better place through education. Two decades of dreams, discoveries, and determined students — and we are just getting started!

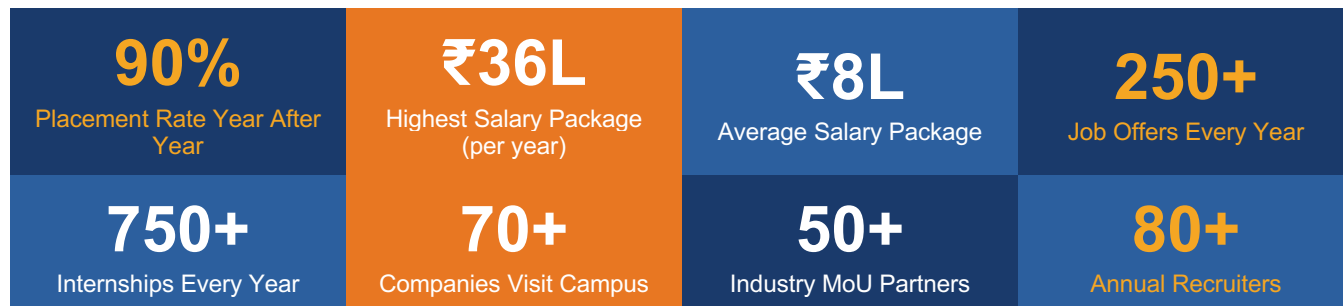

## WHAT EACH DEPARTMENT HAS BEEN UP TO

Every department at Gojan has been super busy this year. From learning drone technology to understanding how medicines are made — here is a quick peek at some of the exciting things that happened!

<b>Aeronautical Engineering</b>	Students got hands-on drone training, attended the Mumbai Drone Expo, celebrated National Aviation Day, and learnt from a Boeing India expert about careers in the sky!
<b>Computer Science &amp; Engineering</b>	From 3-day Virtual Reality workshops to Cloud Computing demo sessions on Microsoft Azure, CSE students dived deep into the technologies of tomorrow.
<b>IT, AI &amp; Cyber Security</b>	The IT team explored Cybersecurity and Full Stack Development with real industry experts. The AI & Data Science team learnt Python Flask and how to build smart web applications.
<b>Electronics &amp; Communication</b>	ECE students learnt how to turn startup ideas into real products (MVP), got insights from a Zebtronics engineer, and teachers attended a 5-day National Faculty Development Program.
<b>Pharmaceutical &amp; Biotech</b>	Pharmacy students went on a deep dive into drug safety, nanotechnology, and the future of medicine — all with the help of expert guest lectures from top researchers.
<b>Robotics &amp; Automation</b>	The Robotics Club organised RoboFusion — a fun competition where students built and programmed robots! Even complete beginners got hands-on experience with real robots.
<b>MBA Department</b>	Business students learnt how to pitch startup ideas, create business models, and master sales and marketing strategies — from real entrepreneurs who have done it themselves!

## GETTING GREAT JOBS — OUR PLACEMENT STORY

The big question every student (and parent!) asks is: 'Will I get a good job after college?' At Gojan, the answer is a big, loud YES! Our placement record speaks for itself.

## LIFE AT GOJAN — FUN, FESTIVALS & MORE!

College is not just about studying! At Gojan, every festival is a reason to celebrate, every occasion is a chance to come together, and every day brings a new memory. Here is a taste of our vibrant campus life this year:

<b>Pongal Celebrations</b> Traditional sweet rice, kolam designs, folk dances, and colourful flowers — Pongal at Gojan felt like home!	<b>Women's Day</b> Inspirational speaker Anitha Sampanth motivated our girls to dream big and never give up. Girl power!	<b>Independence Day</b> Flag hoisting, national anthem, and inspiring speeches about freedom and responsibility.
<b>Christmas</b> Carol singing, performances, and messages of love, kindness, and unity — joy for all!	<b>International Yoga Day</b> Mind, body, and soul — students and staff practised yoga for a healthier, happier life.	<b>Diwali</b> Energetic dance performances and vibrant celebrations lit up the campus with festive joy!

### Awareness Programs — Being Responsible Citizens

Gojan students do not just study inside classrooms. They go out and make a difference! This year, they organised cleanliness walks, anti-drug awareness runs, AIDS education programs, and women's safety sessions with police officials. Because good citizens make a better country!

## OUR INDUSTRY FRIENDS & PARTNERS

We believe that the best way to prepare students for work is to connect them with real companies while they are still studying. That is why Gojan has partnered with many exciting organisations!

<b>Flattrade Broking Pvt. Ltd.</b>	Students learn about future-ready financial technology and engineering skills.
<b>Big Bucks Innovation Pvt. Ltd.</b>	A startup-focused partnership that gives students exposure to real business projects.
<b>MRL Tech Solutions Pvt. Ltd.</b>	Bridges the gap between what students learn and what the industry needs.
<b>Chennai Drone Academy</b>	Students get trained in drone technology and learn to fly and programme UAVs.
<b>Lucas TVS</b>	50 students secured internships in the automotive and manufacturing sector!
<b>DIGIALTYIC Technologies</b>	Opens doors to technology-driven careers in the digital world.

## OUR BIG PLANS FOR 2026!

Great people always have a plan to become even greater! Gojan has set 12 bold goals across 5 big areas to make the college even more amazing. Here is what we are working towards:

<p><b>90% Placement Rate</b> Every 9 out of 10 students who graduate should get a great job — year after year!</p>	<p><b>Top 100 in NIRF Ranking</b> We want to be recognised among India's top 100 engineering colleges nationally.</p>
<p><b>100% Paperless Campus</b> All attendance, grades, and notices will go completely digital — zero paper waste!</p>	<p><b>10+ Student Startups per Year</b> We want to help even more students turn their ideas into real companies.</p>
<p><b>A Giant Incubation Hub</b> A 5,000 sq ft startup lab with 8+ companies, 20+ mentors, and real investor connections.</p>	<p><b>24x7 Digital Library</b> A library that never closes! 30 computers, 5,000+ e-books, and access from any phone.</p>

**Green & Sustainable Campus**

50 kW solar panels, zero-waste systems, and composting to make the campus eco-friendly.

**Peer-Reviewed Research Journal**

Gojan's own official journal where our best research gets published for the world to read.

## A BIG THANK YOU TO EVERYONE!

### Dear Gojan Family,

**This incredible year happened because of ALL OF YOU!**

**To our Chairman, Chairperson, and Vice Chairman:** Your big vision and unwavering support make everything possible.

**To our Principal, Directors, and HODs:** Your dedication to excellence guides every student to success.

**To our Faculty and Staff:** Your passion for teaching shapes the future — one student at a time.

**To our amazing Students:** Your hard work, creativity, and enthusiasm fill our campus with life!

**To Parents:** Your trust and support mean everything to us. Thank you for believing in Gojan.

**To our Alumni:** Your success stories inspire the next generation to dream even bigger!

**To our Industry Partners:** Your guidance bridges the gap between classroom learning and real-world success.

**Together, we are not just building a college.**

**We are building the FUTURE!**
