Department of IT organized guest lecture titled "Machine Learning & Artificial Intelligence" on April 08, 2022

SEMINAR

INDUSTRIAL VISIT

One day Seminar titled "Tech Taught" organized for II & III year students on April 30, 2022

Department of CSE & IT organized industrial visit for III year students at Kaashiv Infotech, Chennai on April 27, 2022

TIP OF THE MONTH

"The biggest payoff in achieving control of your time and life is greater freedom"

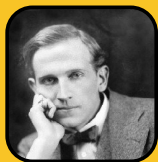

STUDENT CORNER

Ms.Lavanya
IV year IT

QUOTE OF THE MONTH

"You're braver than you believe, and stronger than you seem, and smarter than you think"

Mr. Milne
Author/Poet

Ms. Madhumitha
III year CSE

MINI INTERVIEW

Mr. Thandial Selvam
AP/AERO

Q. What is difference between Inviscid and Viscous flow?

A. In viscous flow, the substance's viscosity is essential, whereas, in inviscid flow, viscosity does not play any role

Q. What is yawing motion?

A. A yawing motion is the movement of a solid object either to the right or left of a yaw axis. In an airplane, the Yaw axis represents the airplane's coordinate, which is perpendicular to the wings in direction

TESTIMONIAL

Ms. Bharathwaj
IV year CSE

"I can positively say GSBT has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. Faculty members are very caring and interested in students' well-being. They make sure every class is fun, educational and interactive"

ALUMNI CORNER

Mr. Kishore
AERO DEPT
(2016-2020)

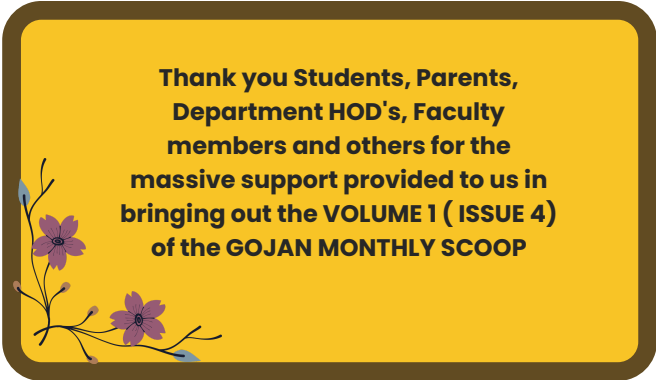

"Building my career in GSBT enriched my life. I can somehow see that my future is totally reliant on the career for which I am grateful to every faculty member of Aeronautical Engineering Department"

EVENT CALENDAR

- Reels Making Competition
- Chess Tournament - Finals
- Technical Mime
- Pictionary
- Mother's Day
- Tirukurral Oppuvithal

THANKS & APPRECIATION

Thank you Students, Parents,
Department HOD's, Faculty
members and others for the
massive support provided to us in
bringing out the VOLUME 1 (ISSUE 4)
of the GOJAN MONTHLY SCOOP

VISION

To become an institution to provide high quality technical education with necessary skills and values to meet the demands of the industry and society.

MISSION

- **To create a close to perfect place for learning process by adopting efficient teaching methodologies and strategies.**
- **To develop a platform for research by supporting innovative ideas for Research and Development based on the needs of the Industry and Society.**
- **To provide career development and higher studies assistance to the student community.**
- **To inculcate the demanded skills for the modern technologies with ethical and human values.**

OBJECTIVE OF THE INSTITUTION

We are always ready to adapt changes in developing the environment to provide quality education for the successful achievement of academics and administration by understanding the requirements of stakeholders.
