QUOTES OF THE MONTH

"Winners are not those who never fail but those who never quit"

SELFIE SPOT

Students in-campus Selfie Shot of the Month

TIP OF THE MONTH

S- SPECIFIC
M- MEASURABLE
A- ATTAINABLE
R- RELEVANT
T- TIME-BOUND

"Set goals that are achievable and measurable. Use the SMART method when setting goals. In essence, make sure the goals you set are Specific, Measurable, Attainable, Relevant and Time-bound"

PARENTS CORNER

"I am M. Balamurugan, Father of Preethi Bala B IV Year IT and would like to thank each and every faculty member for the efforts taken by you to be in touch with the students online by conducting regular parent teacher meetings.

We all appreciate the efforts that you are all putting in to keep our child updated with their studies by conducting online classes and sending them regular notes and power points.

Thank you for taking care of our daughter education even during tough times."

M. Balamurugan
Father of Preethi Bala B, IV year IT

ALUMNI CORNER

"What are your long term goals?" – Someone asked me.
In these initial stages of my work life, I often stumble across this question and ask myself 'Is this normal? Is it okay to not being able to find a long-term goal right in the beginning of your career?
My life today has been a series of short-term decisions I took over the years. And if anybody asks me did it work for me well? It absolutely did!
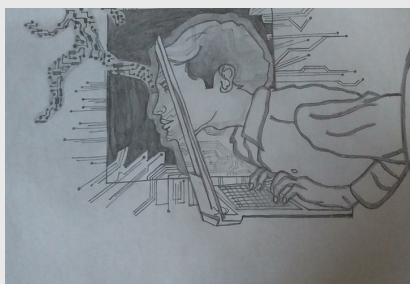

Sheik Asan Kather Imran
2009-2013
Sr. Associate
Ingram Micro, Dubai, UAE.

TESTIMONIAL

"An Engineering degree from Gojan School of Business and Technology is an accomplishment. I find a unique learning culture in GSBT. We are encouraged to wander into new areas of knowledge. Through immense support from my college, I am able to develop and furnish my skills. Finally, Gojan is a place to learn, a place to grow"

- Preethi Bala IV Year IT

THANKS & APPRECIATION

Thank you Students, Parents, Department HOD's, Faculty members and others for the massive support provided to us in bringing out the VOLUME 1 (ISSUE 1) of the GOJAN MONTHLY SCOOP

VISION

To become an institution to provide high quality technical education with necessary skills and values to meet the demands of the industry and society.

MISSION

- To create a close to perfect place for learning process by adopting efficient teaching methodologies and strategies.

- To develop a platform for research by supporting innovative ideas for Research and Development based on the needs of the Industry and Society.

- To provide career development and higher studies assistance to the student community.

- To inculcate the demanded skills for the modern technologies with ethical and human values.

OBJECTIVE OF THE INSTITUTION

We are always ready to adapt changes in developing the environment to provide quality education for the successful achievement of academics and administration by understanding the requirements of stakeholders.
