**STUDENT CORNER**

**Mr.Manikandan**  
**II Year IT**

**Mr.Magesh**  
**II Year ECE**

**Ms.Swathi**  
**III Year CSE**

**MINI INTERVIEW**

**Mr.Nandha Kumar**  
**AP/ECE**

**Q. What is the difference between Latch And Flip flop?**

A. The difference between latches and Flip flop is that the latches are level triggered and flip flops are edge triggered.

**Q. What is meant by Karnaugh Map?**

A. Karnaugh Map is a pictorial representation of truth table in which the map is made up of cells, and each term in this represents the min term or max term of the function.

### GUEST LECTURES

Department of S&H organized guest lecture titled "Role of Physics on Technology" on 23 May 2022

Department of ECE organized guest lecture titled "Nano Materials for Electronics" on 10 May 2022

### TESTIMONIAL

**Mr.Saranraj**  
**IV YEAR CSE**

"GSBT has given me the support and confidence to grow both personally and professionally. The faculty have been a great support with their tireless efforts in my upbringing as an engineer. They have supported me not only in academics but also in extra curricular activities. Our college campus is one of the most beautiful campuses with greenery around and provides various facilities from a well stocked library to well equipped laboratories. The placements in our college have been great in the past few years"

### SEMINAR

### THANKS & APPRECIATION

Dr. Selvakumar, Principal/GSBT organized a motivational programme for faculty members on 11 May 2022

Thank you Students, Parents, Department HOD's, Faculty members and others for the massive support provided to us in bringing out the VOLUME 1 ( ISSUE 5 ) of the GOJAN MONTHLY SCOOP

# Vision

To become an institution to provide high quality technical education with necessary skills and values to meet the demands of the industry and society.

# Mission

- To create a close to perfect place for learning process by adopting efficient teaching methodologies and strategies.
- To develop a platform for research by supporting innovative ideas for Research and Development based on the needs of the Industry and Society.
- To provide career development and higher studies assistance to the student community.
- To inculcate the demanded skills for the modern technologies with ethical and human values.

# Objective of the Institution

We are always ready to adapt changes in developing the environment to provide quality education for the successful achievement of academics and administration by understanding the requirements of stakeholders.
